

**CONTRA COSTA COUNTY
FELONY BAIL SCHEDULE
JANUARY 1, 2013**

Pursuant to Penal Code section 1269b, the Superior Court Judges in each county shall prepare, adopt, and annually revise a uniform countywide schedule of bail for all bailable felony and misdemeanor offenses. Subdivision (e) of Penal Code section 1269b instructs the judges to consider the seriousness of the offenses charged in adopting the schedule of bail.

Penal Code section 815a provides that at the time of issuing a warrant of arrest, a magistrate shall fix bail in accordance with Penal Code section 1275. As per Penal Code section 1275 (a), the court shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and probability of his or her appearing at trial or other hearing. Public safety is the primary consideration in setting bail.

At and after a defendant's first appearance, pursuant to Penal Code section 1269b(b), the amount of bail, if any is allowed, shall lie with the sound discretion of the judicial officer before whom the defendant appeared, and may be greater or less than the amount set forth in this schedule, subject to the provisions of Penal Code section 1275. Bail for all unlisted felony offenses shall be set at \$20,000.00. A mandatory court appearance shall be set in all felony cases.

Defendants arrested without warrant for multiple offenses, other than Vehicle Code violations, shall be entitled to bail limited to the highest bail listed for any single offense, except where the defendant committed multiple crimes of violence against multiple victims. Bail shall be added consecutively for Vehicle Code violations, unless the offenses are alleged in the alternative or the bail setting officer believes they are offenses committed in the alternative (e.g., VC sections 23152(a) and 23152(b)).

Where a judicial officer sets bail, and multiple offenses are charged, bail shall not be cumulated if the provisions of Penal Code section 654(a) would prohibit multiple punishment for those offenses.

Once a defendant appears in court, the judge must fix bail for the individual defendant based upon factors specific to that defendant. See Stack v. Boyle (1951) 342 U.S. 1.

Bail listed for a code section shall apply to all unlisted subsections. Bail listed for subsections shall not apply to other subdivisions.

The 2013 schedule is adopted by the majority vote of the Judges of the Superior Court of California, County of Contra Costa, effective January 1, 2013. This schedule supersedes all felony bail schedules previously adopted the Contra Costa County Superior Court.
