INFORMATION ON THE BAIL SCHEDULE

The following schedule is the presumptive bail to be set when an individual is placed in custody for a criminal offense in San Benito County. A judicial officer may set bail at an amount different than the bail schedule in any individual case. In doing so, the judicial officer shall consider the factors in Penal Code section 1275 such as the protection of the public, the seriousness of the charged crimes, the previous criminal record of the defendant and the probability the defendant will appear in court.

Questions concerning the application of this bail schedule to any particular arrestee may be made to the Presiding Judge or designee during court operation hours. After work hours, the ON CALL DUTY judge is available through the San Benito County Dispatch.

For crimes, **not** listed on the schedule, the presumptive bail for each is \$10,000 for felonies and \$6,000 for misdemeanors.

Bail Stacking – Arrests for More Than One Crime

Arresting agencies and detention facilities are directed to follow these guidelines when booking persons for more than one crime and/or warrant.

1. When a person is booked on two or more crimes, the bail shall be set at the crime with the highest bail amount.
2. When a person is booked on two or more crimes that are either “serious felonies” as defined in Penal Code Section 1192.7(c) and 1192.8 or “violent felonies” as defined in Penal Code Section 667.5(c), the bail amounts for each separate crime shall be added together.
3. When a person is booked on a crime or crimes and has outstanding warrants, the warrant amounts shall be added to the schedule bail amounts.

Enhancements, Aggravating Factors & Special Allegations

ENHANCEMENT (ENH): An *Enhancement* is a fact related to a specific charge. In order to determine the correct bail amount for the charged offense, first determine the bail amount for the charged offense and each enhancement for that offense. Then add the bail amount for the charged offense plus each related enhancement. The totaled amount constitutes the proper presumptive bail for that charge.

AGGRAVATING FACTOR (AGGF): An *Aggravating Factor*, like an enhancement, is also a fact related to a specific charge. Aggravating factors are to be treated the same as enhancements when calculating bail.

SPECIAL ALLEGATION (SA): A *Special Allegation* is a fact related to the defendant rather than a particular charge. In order to calculate the proper bail amount for special allegations, simply add the specified bail amount of each special allegation to the underlying charge to calculate bail.

Bail Amounts on Arraignments in Court

At first appearances and arraignments in court, the judicial officer may exercise discretion to lower or raise bail based on the actual charges filed by the District Attorney, and on enhancements, aggravating factors and special allegations.
