Stanislaus County Felony Bail Schedule
General Information

1. Pursuant to the requirements of Penal Code Section 1269b, this felony bail schedule is adopted by the Superior Court of Stanislaus County and is to be utilized in setting bail for the release of persons arrested on felony charges, without warrant, for the alleged commission of any bailable offense.
2. Bail shall be set according to the bail schedule at the time of booking by the booking officer, at the time of arraignment in Superior Court, and on all arrest warrants, unless a magistrate in his or her discretion, determines a different amount of bail is appropriate or grants a request for release on own recognizance or a request to increase or lower bail pursuant to Penal Code Section 1269c.
3. This bail schedule shall supersede all prior felony bail schedules in Stanislaus County and is effective as of the date set forth on the cover. This bail schedule will be revised annually in accordance with Penal Code Section 1269b(c), unless it is re-adopted without revision.
4. The jailer and clerks of the Superior Court are hereby authorized to accept bail for release of persons held in custody on felony charges in the amount of bail as set forth in accordance with this schedule. Jailers, booking officers, and clerks should receive periodic training on the use of the bail schedule. Training will be provided by a designated person from the Superior Court Clerk's Office.
5. Pursuant to Penal Code Section 1269c, if a peace officer has reasonable cause to believe that the amount of bail set forth in the schedule of bail for that offense is insufficient to assure defendant's appearance, the peace officer shall prepare a declaration in writing, under penalty of perjury, setting forth the facts and circumstances in support of the peace officer's belief and file it with a magistrate. Similarly, the arrested person, either personally or through his/her attorney, friend, or member of his/her family, may make application to a magistrate for release on bail lower than that provided in the schedule of bail or on his/her own recognizance within eight (8) hours after booking. If no change in bail is approved by the magistrate within eight (8) hours after booking, bail shall be set according to the bail schedule.
6. Bail for release from custody may be given in cash or by a properly executed property bond approved by the court after a hearing or by a surety bond executed by a certified surety insurer.

Example: Person arrested for assault with deadly weapon only (245(a)(1) PC). Bail should be set in the amount of \$50,000. If great bodily injury is inflicted (12022.7 PC), \$15,000 bail should be added per Schedule B. Total bail = \$65,000.

Rule #2 If the arrest is for multiple offenses, bail shall be set according to the General Felony Bail Schedule for the offense provided that the felonies were not committed on the same occasion and did not arise from the same set of operative facts. (See Schedules B and C for addition of enhancement and special allegation bail increments). For separate arrests by separate agencies, bail shall be set at the total amount for each agency arrest.

Example: Person arrested PC 459(2), PC 496, PC 459(2), PC 496 and has a PC 667.5(b) prior alleged. Total bail = \$15,000 + 15,000 + 10,000 = \$40,000.

Bail per Schedule C is not to be added by the booking officer. Once charges are filed by complaint or information, bail for enhancements, extraordinary circumstances, and special allegations per Schedules B and C shall be added by the clerks of the Superior Court.

Rule #6 The following felony offenses shall have a bail amount equal to the substantive offense which was the object of the conspiracy or attempt unless the General Felony Bail Schedule indicates otherwise. (e.g., attempted robbery, attempted murder, attempted arson).
